Date: 5th Jan. 2024

Place: Hyderabad

PRESIDENT NOTE

Respected esteemed members of world's largest drug regulatory association DCOIWA with total life memberships of 1266 as on today.

Wish you happy and prosperous new year 2024.

As all of you are well aware that this association is born from emotions. Started with a small whatsapp group, registered as an association on 13th Oct.2022, now penetrated into each and every State, UT s including CDSCO in India. Now we have 27 State Chapters and formation of Andhra Pradesh, Mizoram, Punjab & CDSCO are under progress.

I take this opportunity to share few views of mine as president of this association.

Friends, yesterday we lost one more sincere officer Shri Revanna Siddappa, Deputy Drugs Controller, Karnataka, due to ill health. Everyone knows that now a days the work pressure on working officers has been increased multifold. This is because Technology improvement, Fast Communications and replies, Lack of supportive staff, Lack of full strength of officers, Lack of transport facilities and Lack of security etc.

Many of times, when I was interacting with state wide officers during my visit to states, I focused mainly on your health and security. Your health is premium to your family members and to the society as well. Please avoid/ reduce activities that harms your health. Please avoid talking in phone when you are in driving. Request your State Governments through proper channels to provide transport facilities and Security as now we are empowered with arrest of accused persons and criminals.

Social gatherings are highly inevitable. Please arrange family get-togethers through our state chapters along with family members at least twice in a year with all your department officers and staff. This will yield good results, improves personal relations, will get an opportunity to share your problems whether it is official or personal.

The Central Executive Committee is keeping its maximum efforts in bringing in close of all its members. I am very thankful to our dynamic General Secretary Shri Baldev Chowdharyjee and all other CEC members who are continuously supporting me in making grand success of all our events.

Recently we conducted 7th work shop at Ahmedabad and it went on a grand success too. Though our association is just 15 months old baby, we conducted 7 workshops physically, 6 workshops online and one National Congress at Delhi in the month of July 2023. This year the second Annual Congress cum Workshop, we are going to conduct at Mumbai for 2 days during 13th and 14th July 2024. We are expecting nearly 1000 delegates for the same.

Though financially we are not that much sound, however we released a diary 2023 last year and distributed to all our members. This year we are in process of gifting updated Drug Act Book (bare Act) to all its members and will be delivered to you through your state presidents within a month.

We could able to save around Rs. 30 Lakhs during First Annual Congress at Delhi, received towards delegate's fee, membership fee and sponsorships etc. The CEC has approved to make fixed deposit the same amount for one year and we did it. We have a long term plan to form DCOI Welfare Trust once we reach into a sound financial status.

One request to all our esteemed members, whenever a good cause takes place at your home like birth days, marriages, promotions etc., kindly contribute a minimum of Rs.1000 to our association and I promise all of you that not even a single paisa will be misused from the funds collected.

Request to all state chapter Presidents, Secretaries and Treasurers (PST s), kindly conduct your state EC meetings at least every 4 months, discuss subjects, and intimate the summary to National Committee.

Every month Second Saturday, the CEC is ready to conduct one work shop in each state. State PST s may decide date, topic after discussing with concerned HOD's and inform us. We will come with top subject expert speakers and conduct workshops at your place. We are going to conduct a Zoom meeting on 21st Jan.2024 at 11.00 am with all state PST s. PST s are requested to make available .

DCOIWA conveys their heartfelt thanks to DCGI Shri Rajiv Singh Raguvansijee, all state HOD's, SLA's , Key Note Speakers like Dr.S.Eswara Reddy, Shri RajenderHarna, Shri Om Prakash Sadwani, Dr.A.RamKishan, Shri Manikandan IAS, Advisory board members, Technical Committee members, Finance & Publicity committee members, Legal Committee members, Training Committee members, Publishing Committee members all state PSTs and all members and non-members of DCOIWA for their endless support to this organisation and anticipating the same in future too.

Finally my sincere request to all, kindly give respect to seniors and retired officers, catch them, make them membership. Also convince your fellow officers who are not taken membership and make them members of this premium organization. My special request to officers from CDSCO. Brothers, we regulators are working for the betterment of society and we all are one family members. So far from CDSCO seen only 60 memberships. I hope by our 2nd Annual Congress time, 100% memberships from working officers across India will be fulfilled.

It is my dream.

We need your blessings.

Jai Hind.

Mera Bharath Mahan.

Regards,

G. Koteswar Rao

National President – DCOIWA
& Team DCOIWA.
